Where our network serves

CCUSA’s 177 member agencies and affiliates operate 2,631 services sites in 55 states and territories.

Income mix varies significantly among agencies. In the aggregate, funds from local, state, and federal government represented the largest source of funding; however, the median proportion of government funding among agencies is 37%.

TOTAL INCOME
$4,485,053,636

The information provided in this report comes from the Catholic Charities USA 2014 Annual Survey. In 2014, 150 of 177 Catholic Charities agencies and affiliates responded to the survey. An additional 14 agencies provided only a number of total unduplicated clients. The survey is conducted and compiled by researchers at the Center for Applied Research in the Apostolate at Georgetown University.
